AUGUST WINE SPECIALS

Italian Wine Flight
($9.75+ for a 2.5oz serving of each wine)

BOLLINI PINOT GRIGIO 2006
Bollini Pinot Grigio is styled to show intense varietal aromas, with an especially fragrant, perfumed bouquet, elegant, delicately focused white fruit flavors and a slightly flinty quality on the palate. The texture is crisp and clean in the mouth, with superb acid balance and a subtle nuttiness on the finish. The fresh, refined style is ideal for frequent, casual consumption.

FEUDO ARANCIO PINOT NOIR 2006
An elegant wine that embodies the intensity of Sicily. Grapes: 100% Pinot Noir
Color: intense red with hints of violet
Bouquet: vibrant bouquet of blackberries and strawberries with hints of wood and black and white pepper
Flavor: mature and full-bodied with aromatic elegance and a hint of spice. Balance of aromas and fruitiness makes it distinct. Pairs well with roasts, red meats and pastas with meat sauces.

VINO DEI FRATELLI MONTEPULCIANO D’ABRUZZO
Vino dei Fratelli’s '07 Montepulciano d'Abruzzo is a plump red that offers juicy dark fruits and soft tannins, with a pleasingly long finish. Rating: 85.
CCC Membership Recruitment Program

Our Club is only as strong as our membership. All members have a stake in securing a strong membership base. It is in that spirit that this incentive remains in place. Each member is encouraged to utilize this incentive in the way it may be warranted by your individual situation. The Membership Committee, in the meantime, will continue to explore other feasible options to address our recruitment potential, and it welcomes any suggestions in that regard.

Thank you for your consideration.

Credit for Sponsoring a New Member Program:
A current member who sponsors a new member will receive the following credit based upon the new member’s membership category: Family Golf $300, Single Adult Golf $250, Junior Family Golf $200, Junior Single Golf $150, Social $75, Dining $40. This credit applies to each new member sponsored.

If you have any questions concerning this program or the recruitment process please contact, Club Manager Kris Shultz or Business Office Manager, Lisa Fink.

You do not need to be a voting member to sponsor a new member.

Advertise in the Carlisle Country Club Crier Newsletter

Place your business card size ad in this publication for only $25.00 per month or $300.00 per year. This is a great tool to let well over 400 of your fellow members know of your business offerings.

Contact Kris Shultz if you are interested in placing your ad.
CCC News Flash

Club Manager, Kris Shultz, sends out occasional emails called the “CCC News Flash”.

These emails inform the membership of upcoming activities as well as pertinent membership information and the monthly newsletter.

If you do not receive these flashes and would like to, please email Kris and let him know that you would like to be added to his distribution list:

kshultzccc@embarqmail.com

Junior Membership Incentive

The Board of Governors has significantly reduced the rates for Junior Golf Memberships and has added two new Junior Membership Categories:

Junior Social & Junior Dining

To obtain details, please contact Kris Shultz or Lisa Fink in the business office.

Information is also available online at www.carlislecountryclub.com.

CCC Goes Green

In an effort to “Go Green” you have the opportunity to have the following Club mailings sent to you electronically or through the Club’s website:

- The Carlisle Crier Newsletter (email & Club website)
- Monthly Statement (you will be sent an email when your statement is ready to view on-line for the preceding month)
- Membership Directory (available through the Club’s website)

To participate, please contact Lisa Fink in the business office or email her at lfinkccc@embarqmail.com

Be so kind if you would, voting and non-voting members alike, to mark the evening of Friday, August 21, on your calendar.

For that will be the night of the annual Carlisle Country Club full membership meeting. The proceedings will begin at 7 PM.

There are important issues to be discussed and voted upon. Prime among them, of course, the 2009/10 annual operating budget. There also is a proposed amendment to Club by-laws relating to the tenure of standing committee chairs. And, the floor will be open to reports from the standing committees on the accomplishments of 2008/09 and priorities for 2009/10.

Only voting members—those who have paid their initiation dues—have voting privileges. However, the meeting is open to all members of the Club for information and discussion purposes.

We approach the final 60 days of the current fiscal year in stable financial condition in spite of the challenges presented by this recessionary national economic environment. Our membership rolls have leveled off after the initial hit brought on 10 months ago by the sharp economic downturn. Your managers, guided by their respective standing committees, have been most prudent in the expenditure of operating funds. And, of course, the staff in all three operational areas—house, golf, greens—has performed in yeoman like fashion to ensure delivery of services were maintained at a satisfactory and above level.

This will be discussed in greater detail during the budget briefing that will be presented at the annual meeting. Written materials for the meeting will be in your mail shortly. Please work your attendance into your August schedule if at all possible.

On other fronts: Congratulations to the four candidates elected to three-year terms on the Board beginning October 1—Incumbent Mike Neumyer; former Board member and club president Marc Bauer and new members Rick Hrip and Mark Ritchie. Our thanks also to the other nominees on the ballot for their willingness to serve.

The wet weather which persisted for much of the Spring into the early Summer has had a dampening (if you’ll pardon the poor play on words) effect on our golf play. Rounds for the year are down 800 from 2008. June alone experienced a 700 decline in rounds played. Hopefully, we can show a strong recovery with the streak of excellent conditions which arrived in July.

Our first junior clinic had 89 participants and our Killer Whales swim team finished its season with a winning 4-2 record (congratulations to all who had a role in the success).

The July 4 cookout attracted 70 participants. The Employee Appreciation Night at Metro Bank Park for a Harrisburg Senators baseball game was attended by 77 members and staff. Initial reports from both quarters were that a good time was had by all.

Some upcoming attractions to consider: Saturday, August 22—Poolside campout with cookout and DJ; Monday, September 7—Labor Day cookout; Saturday, September 12—Cigar Night (on the deck); and Friday, September 25—Prepared to Order Pasta Night.

Thank you for your continued support and participation in all facets the Club has to offer. Engage and enjoy!

For the Board,
Vince Carocci, President

2009 Swim Team Recap

After a whirlwind season, the Carlisle Country Club’s Killer Whale Swim Team finished with an impressive 4-2 record. Uncooperative weather in late May and early June forced the cancellation of many early practices; however, Coaches Chris Clark and Lyndsey Smith had the team in tip top shape for their first meet against Hershey Country Club. In what was perhaps the closest meet in recent history, the Killer Whales toppled Hershey by a score of 358-348. That win set the tone for a remarkable 2009 swim season.

Two long standing country club records were broken at the first meet. Joanne Pokrywza set a new girls’ 15 and under IM record, and Talon Davidson broke his uncle Heath Davidson’s 29-year boys’ 8 and under freestyle record. The team then took on Outdoor Country Club and posted a 360-222 victory. With their momentum growing, Carlisle suited up against Lebanon Country Club and came away with another victory – 228-152. Not only did the team come away with win number 3, but Talon Davidson also came away with another pool record, this time in the boys’ 8 and under butterfly. Under the threat of severe thunderstorms, Carlisle next traveled to Harrisburg Country Club and hammered out an impressive 276-105 victory. Up next on the schedule was the powerhouse Colonial Country Club. While the Killer Whales fell to Colonial 510-257, they swam well, had fun and set their sights on victory next year. The regular season wrapped up against West Shore Country Club where Carlisle suffered only their second loss all season at 429-347.

Championships followed at Hershey Country Club where the team swam extremely well, earning several first, second and third place trophies in individual events.

Way to go Killer Whales!!!
It’s hard to believe that summer is almost over. After a busy July, things have slowed down a little, and we are now gearing up for our Club Championships, all of which are held in August. We hope you will consider signing up for one of these. The Ladies’ Club Championship will be held on August 8 and 9. This event is match play flighted by handicap and is open to all lady golf members with a handicap. The Men’s Club Championship, which we call the Dunn Cup, is scheduled for August 29 and 30. The format for this is different than in years’ past. We will have the Championship and First Flights playing at scratch from the blue tee markers. The Second Flight will have all players with handicap indexes from 9.1 to 15.0, and the Third Flight will have all players with indexes of 15.1 and above. The Second and Third Flights will play from the white tees and will be playing at full handicap. That means if you are a 20 handicap we will deduct that from your gross score after you complete your round. The golf committee decided to use this format to try to stimulate more participation in the event this year, and I hope you will consider participating. Lastly, the Junior Club Championship is scheduled for August 21. The age groups and format for this are available on the Club website.

Often in these articles I write about upcoming events, but for the remainder of this one I would like to tell you a story. A few years ago I was playing with a friend, Greg Lesher, who now lives in Mechanicsburg. During the course of the round I asked him what types of things made him the most nervous on the golf course. Greg had his PGA Tour Card for awhile, was the runner-up in the United States Junior Amateur, an NCAA All American and Low Amateur in the 1989 US Open. In other words, he was in a few dogfights. His answer had nothing to do with any of those experiences. He said that his nervousness on the golf course often related to how he was playing. If he was playing well he was quite calm regardless of the situation, and if he was playing poorly he was often edgy regardless of the situation. Then he said something I will never forget. He said that every time he stood on the first tee in an event he would be introduced in this manner: “Now driving, out of Lebanon, Pennsylvania, Greg Lesher” and that never really made him nervous. But in 1989 he played in the Walker Cup at Peachtree Golf Club in Atlanta, Georgia. He stood on the first tee there, and the starter said “Now representing the United States of America, Greg Lesher.” That, he said, got his attention just a little bit.

The Walker Cup is one of the truest forms of Sport I can think of next to the Olympics. Teams consist of amateurs from the United States playing against amateurs from Europe during two days of match play. This year’s Walker Cup is being played at Merion Golf Club just down the turnpike from here on September 12 and 13. Tickets are available for $40 per day and can be purchased online at 2009walkercup.org. If you think it would be fun to see some of tomorrow’s PGA Tour stars playing for nothing but their teammates and their country, maybe you could schedule a little road trip. This also happens to be the weekend after aerification here, so the timing is not bad.

I hope you are all enjoying the 2009 golf season. If any of the staff here or I can be of any help please do not hesitate to call. We look forward to seeing you around the Club.

**THE RALLY FOR THE CURE GOLF TOURNAMENT**

The Rally for the Cure Tournament is a 1pm shotgun on Monday, October 5. 2009.

**SAVE THE DATE:**
The Carlisle Country Club is proud to announce they will be holding their annual Rally for the Cure Tournament, October 5th. The Rally benefits the Susan G. Komen Foundation that has raised over $45 million dollars for Breast Cancer research.

Our committee works hard on making this a fun, charity event open to everyone. In addition to playing in the event we would appreciate any type of donation, gift cards, certificates from you or your business.

Last year we filled the Tournament and sadly had to turn some away!

Look for our brochures and please return your completed registration form promptly.

In addition to the golf, there will be numerous prizes, light lunch and dinner included.

The same as last year we will have beautiful mums that you can purchase in memory of, or in honor of someone with signs. Not only did they look amazing they were a wonderful way to show you care. Please help us share the message and continue the fight by showing your support in any way you can.

Remember, one out of eight women will be diagnosed with breast cancer. Even if you are not able to participate, please encourage the women in your life to get screened.

If you have any questions contact a member of the Rally Committee.

On Behalf of the Rally Team, Thank -you and we look forward to seeing you on October 5th!!!

Rally Committee Chair: Betty Butler betbutler@comcast.net / cell : 649-3826.
Committee Members: Terry Neyhart, Vicki Baker, Amy Simmons, Terre Bonshock.

LIGHTNING DETECTOR POLICY

Purpose: Outlines the safety procedures in the event that the automated lightning detection system sounds.

Authority: The Golf Professional, Greens Superintendent and Club Manager will enforce this policy and report any problems to their appropriate committees.

Guidelines: All members and staff are expected to observe this policy. Lighting detection systems are not perfect so you still need to pay attention to threatening weather and use good judgment.

Golf Course: When the automated lightning detection system signals for threatening conditions golfer must cease play and seek shelter in an approved area immediately. Players in the vicinity of the clubhouse may seek shelter there if they wish. Players not returning to the clubhouse must seek shelter in one of the approved shelters on #5 tee, #7 tee or #14 green. During a weather delay all practice areas will remain closed and all golf operations staff will remain indoors. The automated lightning detection system will signal when it is safe for players to resume play of the golf course and use of the practice facilities.

Swimming Pool: When the automated lightning detection system signals for threatening conditions pool patrons and swimmers must evacuate the swimming pool and pool deck immediately. Shelter may be found in the bath house restroom areas or in the clubhouse. The automated lightning detection system will signal when it is safe to resume pool activities.

HOW THE SYSTEM WORKS
When the system detects the treat of lightning a warning blast will sound for a continuous 15 seconds. The sound resembles a fog horn. When you hear the warning blast you are required to seek shelter immediately. Shelters include the clubhouse, pro shop, pool changing rooms, shelters beside 5 tee, 15 ladies’ tee or 7 tee. When the system senses the threat of lightning has passed an all clear blast will be sent in the form of 3/5 second blasts. At that time it is safe to resume your round of golf or reenter the swimming pool.

Thank you for your anticipated cooperation.

RECIPROCAL GOLF PROGRAM
Golfing members are permitted to play at participating clubs without paying a greens fee (Tuesday-Friday). Reservations are made through the Pro Shop. Tee times can be made one week in advance, a maximum of two tee times per club. Carts and soft spikes are mandatory. Dress code of the visited club must be followed. Costs will be billed back to Carlisle Country Club.
